# 1. Overview

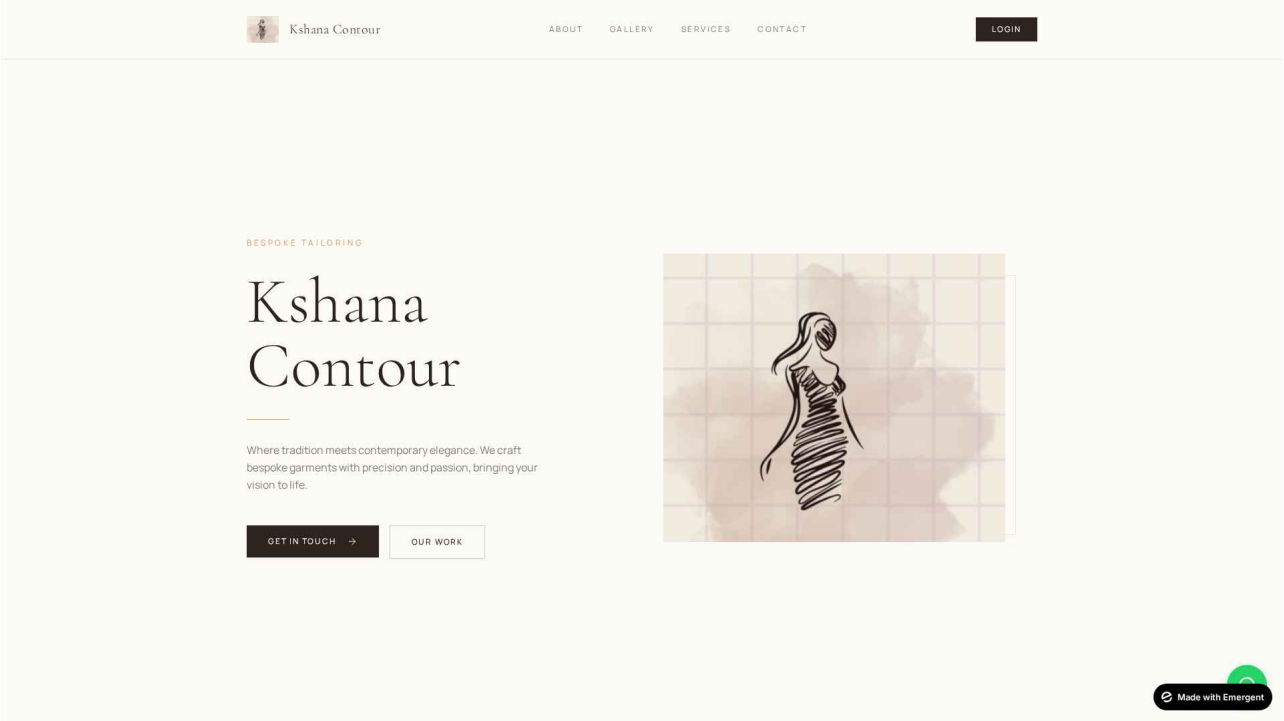
Kshana Contour is a full-stack boutique management platform designed for managing tailoring orders, employee payroll, customer accounts, financial partnerships, and gallery showcases. The website has two main portals:

- **Admin Portal** — Full business management dashboard for the boutique owner
- **Customer Portal** — Allows customers to view their order status, payment history, and boutique gallery
- **Public Landing Page** — Showcases the boutique with gallery, services, reviews, and contact info

## 2. Landing Page (Public Website)

The landing page is the first thing visitors see. It features:

- **Navigation** — About, Gallery, Services, Contact, Login
- **Hero Section** — Boutique branding with 'Get In Touch' and 'Our Work' buttons
- **Gallery Carousel** — Auto-rotating showcase of boutique work (15-second intervals)
- **Google Reviews** — Dynamic customer testimonials pulled from the database
- **Contact Links** — WhatsApp, Google Maps, Instagram direct links



# 3. Admin Portal

## 3.1 Admin Login

Access the admin portal by clicking 'LOGIN' on the landing page, then select 'Admin Login'. Enter your phone number and password.

```

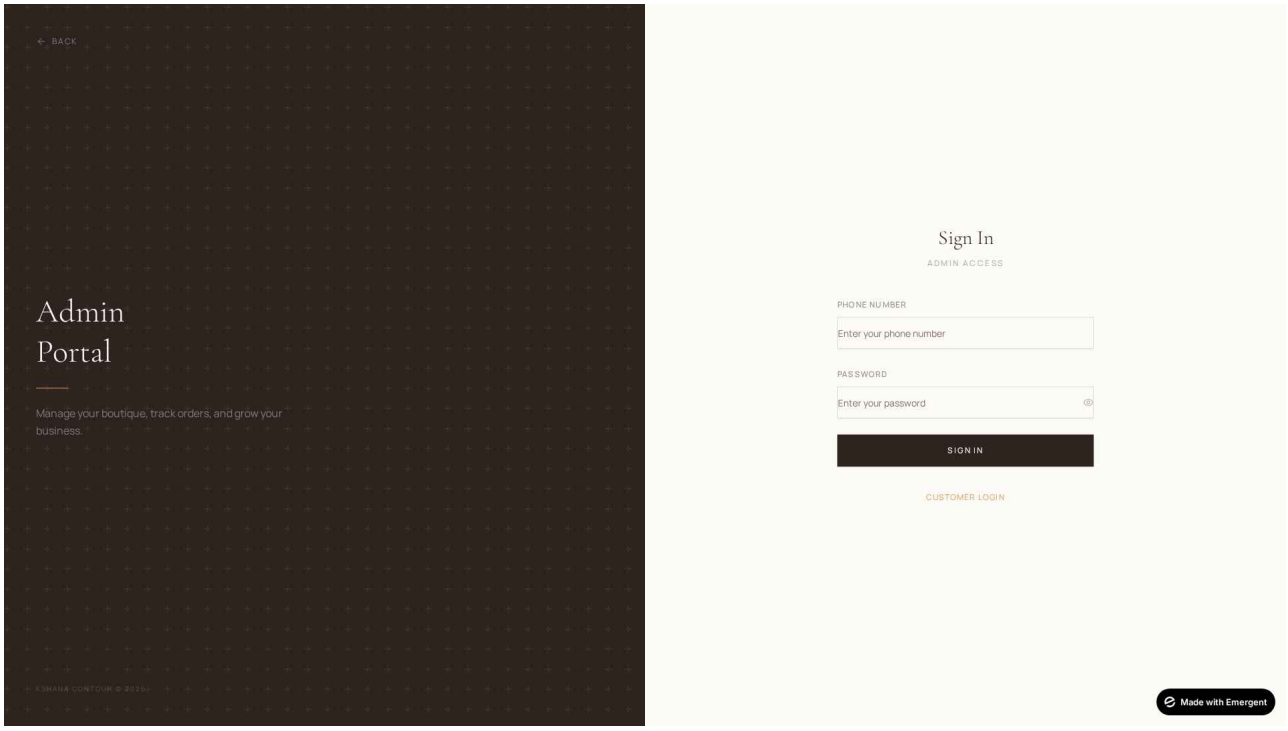
*Note: Password can be changed in Settings with email verification to kshanaconture@gmail.com*



## 3.2 Dashboard

The admin dashboard provides a complete overview of your boutique business:

- **Monthly/Weekly Metrics** — Shows current month name (e.g., 'April Orders') and week date range (e.g., '14/04 - 20/04')
- **Urgent Deliveries** — Orders nearing or past their delivery date. Click the colored status pill to instantly update status (Pending → In Progress → Ready → Delivered). Click the eye icon to view order details.
- **Order Pipeline** — Shows count of Pending, In Progress, Ready, and Due Soon orders
- **Financial Overview** — Total Income, SBI Outgoing, Net Profit, Chandana/Akanksha Invested, Balance Due
- **Quick Access** — Grid of shortcuts to all admin pages
- **Team** — Shows employee avatars
- **Charts** — Monthly Orders and Monthly Revenue bar charts
- **Export Center** — Download Excel reports for Orders, Employees, Partnership, and Payments

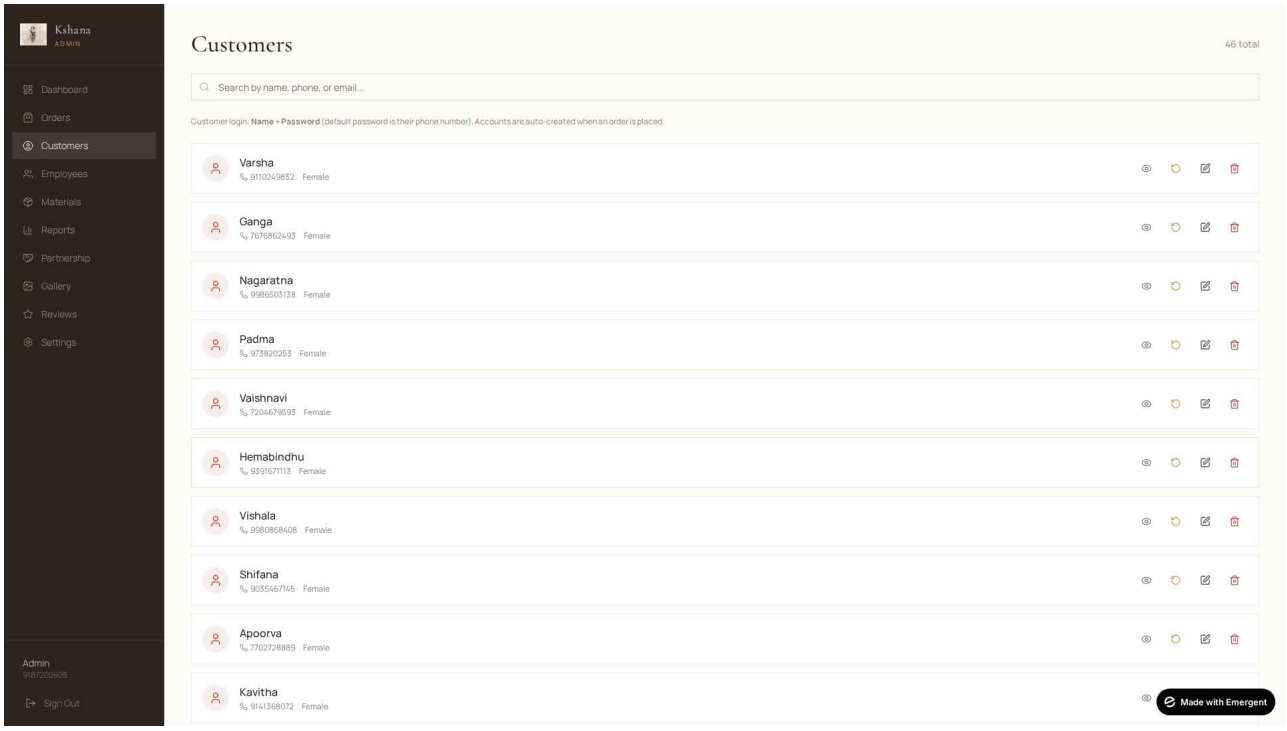
## 3.5 Customers Management

Manage all customer accounts. Customers are auto-created when an order is placed.

- **Search** — Search by name, phone, or email
- **Actions** — View orders, Reset password, Edit, Delete
- **Login Info** — Customers login with Name + Password (default password = their phone number)

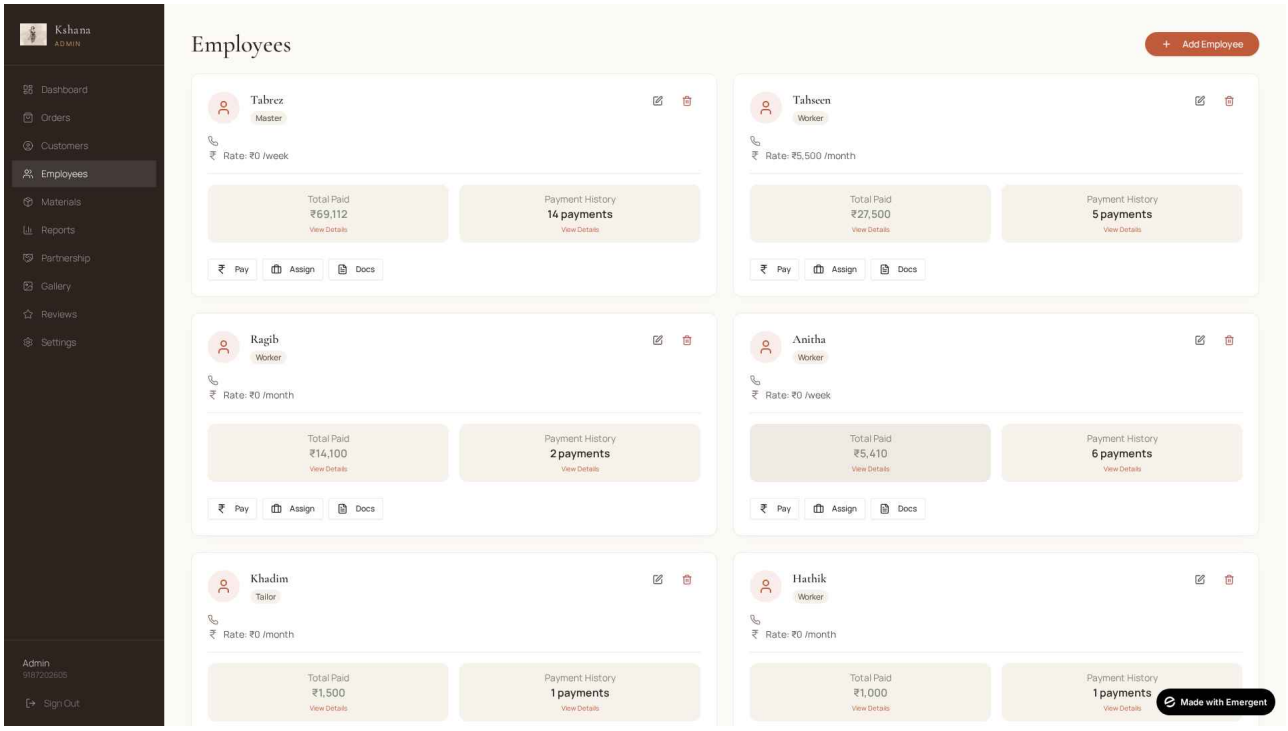


## 3.6 Employees Management

Track employees, their roles, payment history, and documents:

- **Roles** — Manager, Master, Tailor, Worker
- **Pay Types** — Hourly, Weekly, Monthly
- **Payment Tracking** — Total paid, payment count, detailed payment history with dates and notes
- **Actions** — Pay (record payment), Assign (link to orders), Docs (upload documents), Edit, Delete

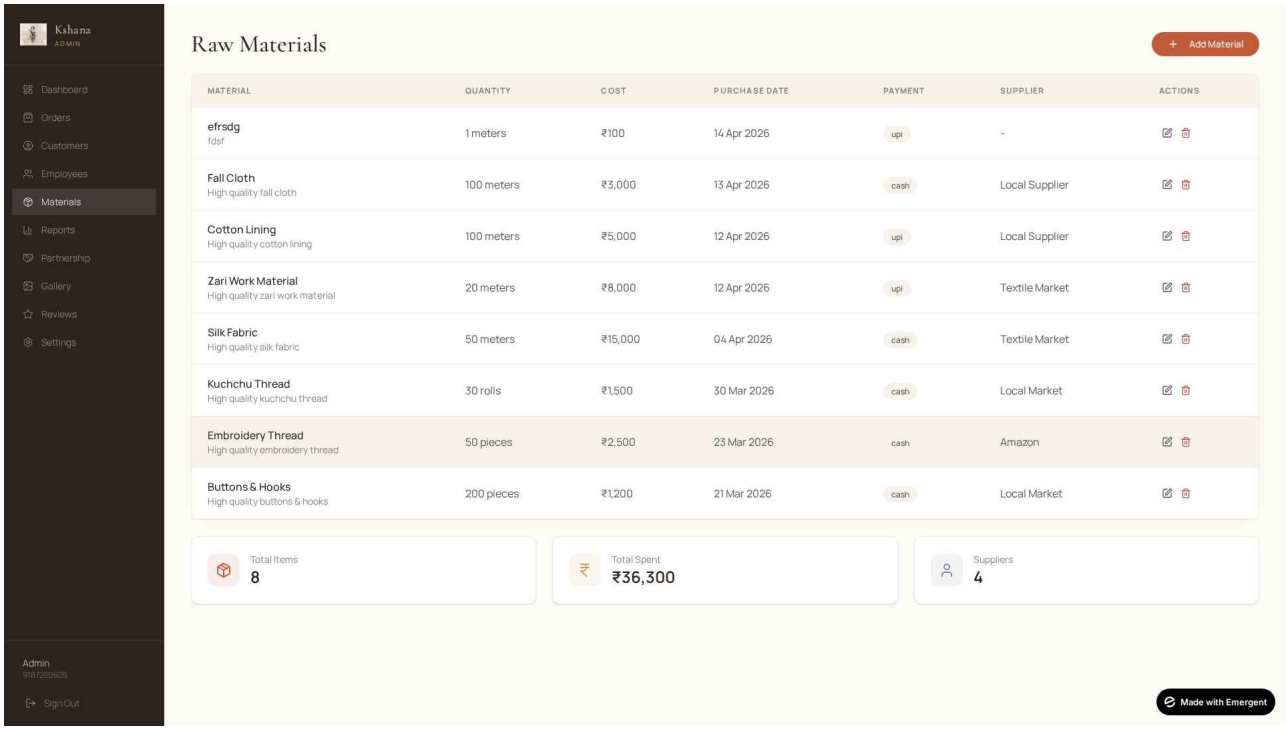
*Note: Deleting an employee does NOT delete their outgoing payment records in Partnership.*



## 3.7 Raw Materials

Track all raw materials purchased for the boutique:

- **Fields** — Material name, description, quantity, cost, purchase date, payment mode, supplier
- **Summary** — Total items, total spent, number of suppliers
- **Actions** — Add, Edit, Delete materials



## 3.8 Partnership & Accounts

The Partnership page is the financial backbone of the boutique, tracking all money in and out:

**Summary Cards:**

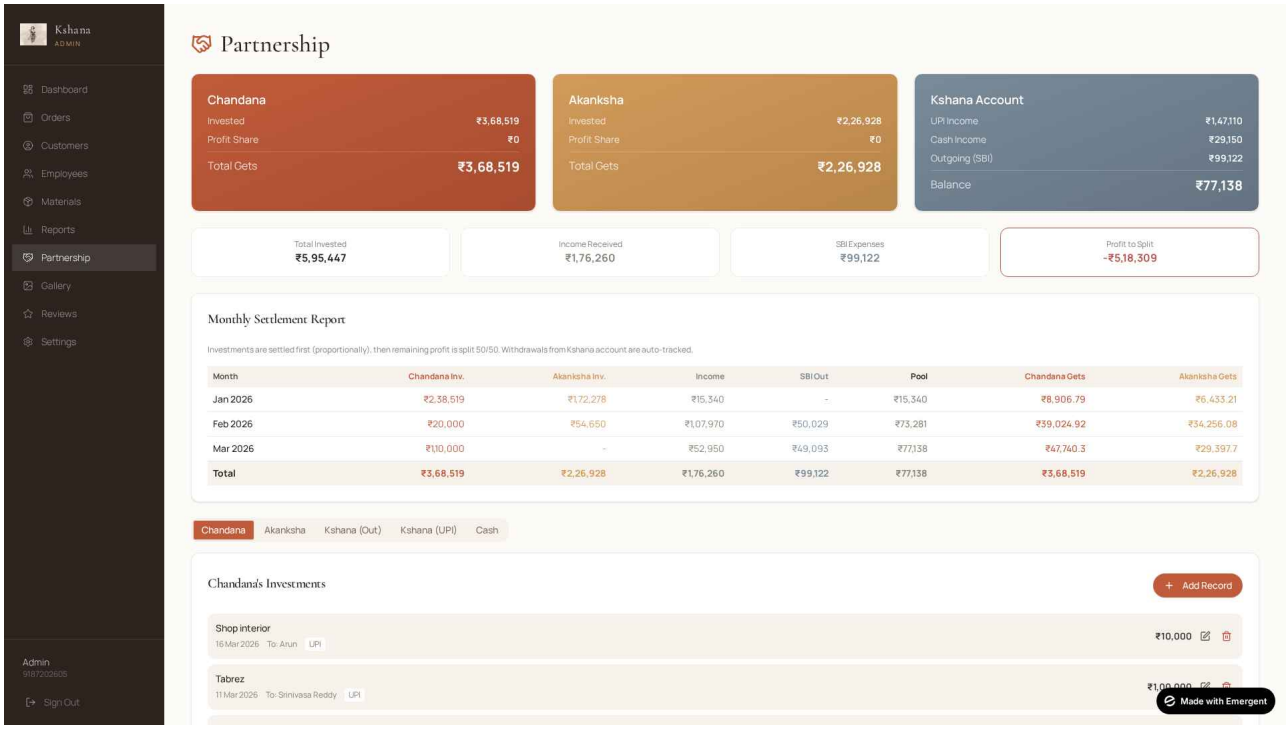
- **Chandana** — Total invested, profit share, total gets
- **Akanksha** — Total invested, profit share, total gets
- **Kshana Account** — UPI Income, Cash Income, SBI Outgoing, Balance

**Monthly Settlement Report:** Shows month-by-month breakdown of investments, income, SBI outgoing, and profit distribution (50/50 after investment returns).

**5 Tabs for detailed entries:**

- **Chandana** — All Chandana's investment records
- **Akanksha** — All Akanksha's investment records
- **Kshana (Out)** — SBI account outgoing payments (salaries, materials, rent)
- **Kshana (UPI)** — UPI customer payments flowing into the bank. Clickable order links (e.g., #KSH-19)
- **Cash** — Cash payments received from customers

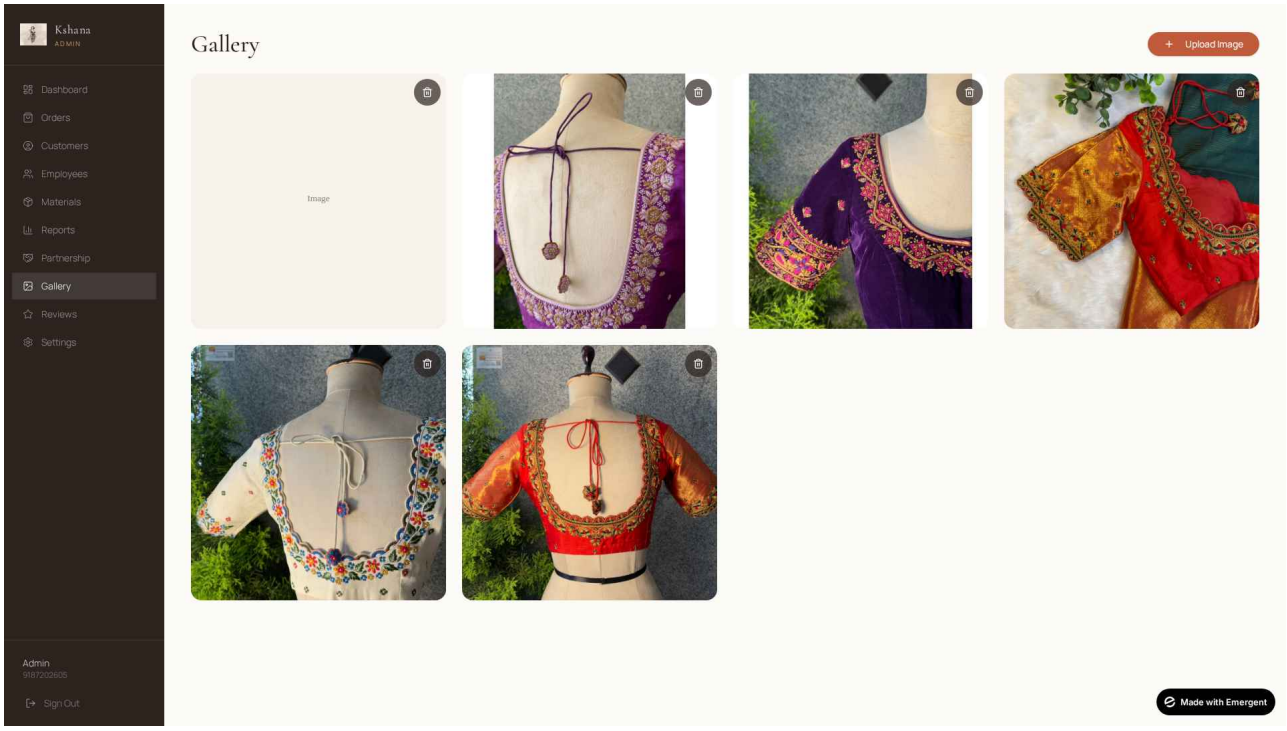
**Auto-Sync:** When you record a payment on any order, it automatically creates an income entry here — UPI → Kshana (UPI) tab, Cash → Cash tab.



## 3.9 Gallery Management

Manage the boutique's work showcase images:

- **Upload** — Click '+ Upload Image' to add new photos (stored in Cloudinary)
- **Delete** — Click the trash icon on any image to remove it
- **Public Display** — Gallery images automatically appear on the public landing page carousel



### 3.10 Reviews Management

Manage Google Reviews displayed on the landing page:

- **Add Review** — Enter reviewer name, rating (1-5 stars), review text, date
- **Edit/Delete** — Modify or remove reviews
- **Rating Distribution** — Visual graph showing breakdown of 5-star to 1-star reviews
- **Auto Display** — Reviews appear as testimonials on the public landing page

### 3.11 Reports & Export Center

The Export Center (at the bottom of the Dashboard) allows you to download Excel (.xlsx) reports:

**Available Exports:**

- **Orders** — All orders / Pending / In Progress / Ready / Delivered. Includes order ID, customer, items, total, balance, status
- **Employees** — Employee details + Salary payments
- **Partnership** — Chandana / Akanksha / Full Report. All investment and expense records
- **Incoming Payments** — All customer payments with order ID, amount, date, mode (UPI/Cash)
- **Outgoing Payments** — All expenses from SBI/Kshana account

## 3.12 Settings (Password Change with Email Verification)

Change your admin password securely with email verification:

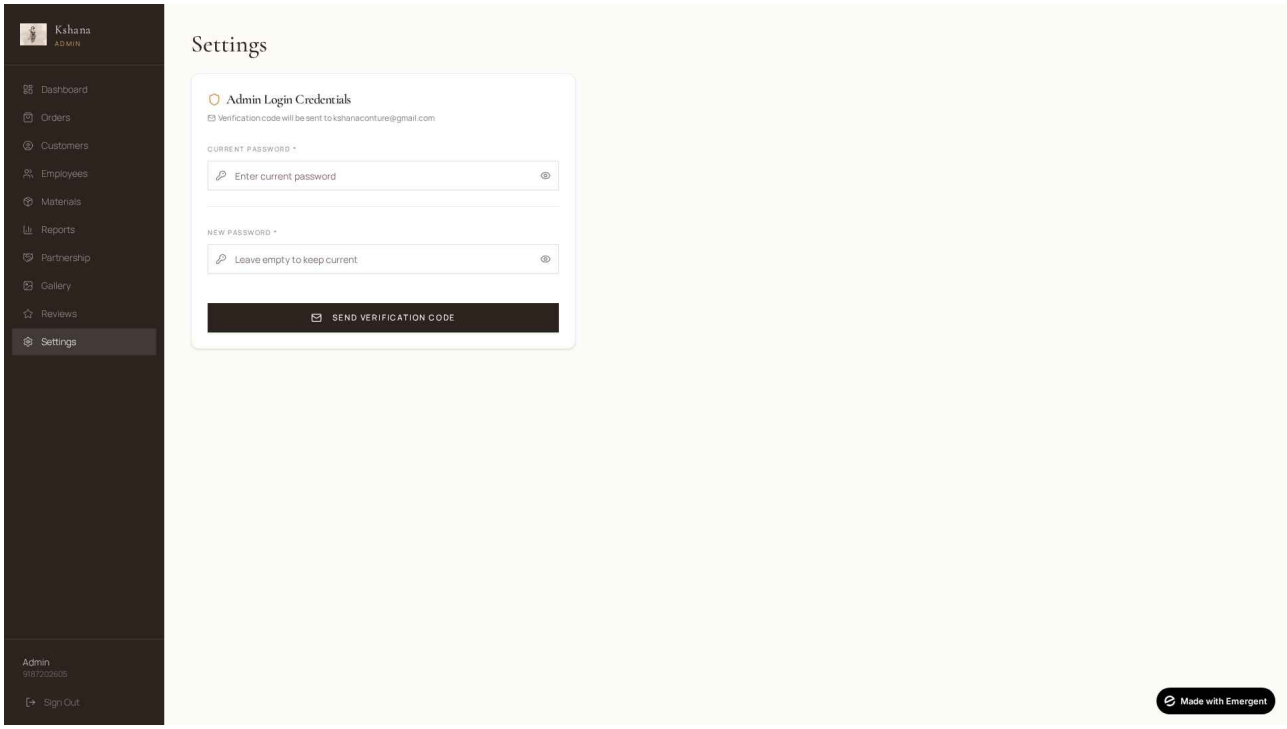
**Step 1:** Enter your current password

**Step 2:** Enter your new password + confirm it

**Step 3:** Click 'Send Verification Code' — a 6-digit code is sent to kshanaconture@gmail.com

**Step 4:** Enter the code and click 'Verify & Update'

> *Note: The code expires in 10 minutes. You can click 'Resend code' if needed.*



## 4. Customer Portal

Customers can access their personal portal to track orders:
